Hawai'i Association of REALTORS® **Leadership Academy**

Nurturing Tomorrow's Leaders

Leadership development is essential to the long-term health of our Association. For that reason, the Hawai'i Association of REALTORS® has developed a Leadership Academy program exclusively for REALTORS®.

Through this program, we will identify emerging REALTOR® leaders, motivate them and sharpen their leadership skills in the expectation they will exert a strong, positive influence on the future of the Association and profession.

In this intensive and dynamic leadership experience, participants will combine individual study, group session, and actual project experience to develop their leadership skills. If selected, you will join fellow REALTORS® in a powerful series of retreats, including sessions on leadership skills, team-building exercises, procedures for goal-setting, personal profile analysis, network building and improving communication skills.

Selection and Commitment

Participation in the program is open to HAR members. Space is limited to 12 participants each year. Applicants selected for inclusion in the program must attend three retreats and pay a \$1,000 tuition fee, which covers the sessions, materials, accommodations, and meals. Travel arrangements and expenses to attend the session are the responsibility of the participant.

Class of 2011 Applications Now Available

Retreats are scheduled for March 8-10, June 21-23, and September 27-29. Graduation will take place on October, 19, 2011 at the HAR Board of Directors meeting.
