

RR401 – Independent Contractor Agreement for Real Estate Agents– comments from membership  
July-August 2016

1.		looks good!
2.		OK
3.		Please review ALL forms for punctuation. We do not need a comma , followed by the word "or"--- either is fine. Also, in the commission agreement form, shouldn't a commission agreement be attached and referenced in the form itself? Thank you for asking us to review.
